Publishers Note:

God knows, your pain and all the pain we all have seen, we have been suffering through this same pain that was felt 1st through our ancestor's, and the same pain is what's causing all the trauma we are all going through and everything that's going to this day,

some REAL PAIN, Black folk are feeling right now, the inherit punching bag of the United States, we are used, we are abused and considered the fools. -

But all that can change if we all just pay attention and don't go for that!

No more!! could it be all so simple if everybody understand why we are all here and what will happen after we're gone if we don't address our deep rooted issues, the kids will inherit,

you may not believe this but we are all still SLAVES, slaves to whatever is oppressing us, trying to impose on us and know this, everybody wants to get you into debt, you must always fight against this and gain your freedom by owning your time to build up Black Folks.

Dr. King, getting treated at The book signing where he was stabbed with a letter opener, which is still lodged in his chest..

Dr. King, was being Stalked by Ms. Curry as seen here as he was greeting his wife

A small group of surgeons black and white performed the two-and-a-quarter-hour operation that would save the civil-rights leader's life.

Izola Ware Curry

Dr. Martin Luther King Jr. Rev. Ralph Abernathy Two black ministers who were active in the long boycott of segregated buses in Montgomery, Alabama were among the first to ride after a Supreme Court integration order went into effect on December 21, 1956. The ride to which put their lives in danger.

The Black Woman who Almost Killed Dr King

Izola Curry strode with purpose straight up to Dr. King, where he was seated, signing a book for a customer.

"Are you Martin Luther King?" she asked. "Yes," he replied, not looking up. She reached into her purse and withdrew the letter opener in an arc. Instinctively, Dr. King yanked his left arm up to block the weapon, cutting his left hand as she plunged the blade into his chest. Dr. King recalled:

"The next minute I felt something beating on my chest."

A bystander knocked Curry's hand away from the blade before she could withdraw it and stab Dr. King again.

"I've been after him for six years!" shouted Curry, starting to run. "I'm glad I done it!"

# BLACK ASSASSINATIONS

The oldest Sneakiest and shameful way to KILL a unsuspecting Victim who never saw it coming

Written by: Allen Builtwell

After Dr. King was murdered , by a white man in conjunction w/ The United States Government, almost every city in America dedicated streets in The Black neighborhoods, honoring the Man, but instead of promoting these blocks and streets as sacred places and teach our people the lessons, Black People are killing each other in the same fashion, killing Assassinations, as the man who died on that balcony, Its now being done on the very street bar-

ing his name.. No honor, in that, It is very unfortunate that many of our Great Black Leaders were assassinated, and taken away from us before they were 40 years old - and now because of this horrible education system, many of our people don't know these facts, It is so disturbing that this is the preferred method that our people choose to exterminate each other like animals, by letting so much blood run in the streets, and there's no honor in that!!

**Brother MALCOLM X**  
Malcolm formally left the organization and made a Muslim pilgrimage to Mecca, where he was profoundly affected by the lack of racial discord among orthodox Muslims. He returned to America as El-Hajj Malik El-Shabazz and in June 1964 founded the Organization of Afro-American Unity, which advocated Black identity and held that racism, not the white race, was the greatest foe

of the African American. Malcolm's new movement steadily gained followers, and his more moderate philosophy became increasingly influential in the civil rights movement, On stage at the Audubon Ballroom on February 21, 1965, Malcolm X was gunned down as his pregnant wife and four daughters took cover in the front row, said to have been Black Men later to be discovered shots came from the ceiling and walls into him.

Martin Luther King Jr., Shot and killed in Memphis TN. While supporting a Sanitation March, He was shot and killed by a long Gun on The balcony of the Lorraine Motel

Malcolm X, was shot to death in Harlem New York, while giving a speech at The Audubon Ball Room

Brother Medgar Evers, was Our #1 Civil Right Warrior In Mississippi but on June 12, 1963, in a suburban neighborhood of Jackson, Mississippi He was Exhausted after a reportedly disappointing and drawn-out meeting that night, Evers came home around midnight where Myrlie and their children were waiting up for him. Arms full of NAACP T-shirts, he got out of his car and shut the door. "In that same instance, we heard the loud gun fire," of a Racism Bullet shooting our brother in his back! a single bullet, dropped the rifle, and ran. Evers stumbled inside and collapsed. Only 38-years-old, he died on the way to the hospital from internal injuries and blood loss.

## KHALID MUHAMMAD

Brother Khalid Muhammad, one of the only brothers to look the white man in his face and called him The Devil. He, Constantly and very forthrightly spoke truth to Power!! - With a special disdain for what he called, The Wicked, Evil and Diabolical White man.. He was poisoned..

Even though he was assassinated by a Devil who was raised by this Racist Country - Medgar Evers loved America, its all he knew

They don't make Brothers like this no mo Khalid Muhammad —

Clarence Thomas

## MEET GINNI THOMAS,

By Brad Whitfield III

She is the Enemy and wife of the absent one and our only sell out, Black Supreme Court Justice, who was chosen by The Republican White Race Warriors to replace Our true black hero in Justice Thurgood Marshall, - (to fill the 1 Black Man quota!) But, He's the type who shuts the door behind him / She's the type who doesn't share her boy! He has accepted that and he has NO Moral obligation to his people, so much so, he's working against us!

## THEY'RE IN THE MONEY

Sis. Anita Hill Boy. Clarence Thomas

He has been a staunch resistance against Black Progress in America, I believe this is the reason Justice Thomas hates his entire race, when she called him out.

## LOOK @ INNOCENCE

## WHO REALLY KILLED

MICHAEL JACKSON?, we all know Dr. Conrad Murray was found guilty and sentenced to Four years in prison - But what about Arnold Klein who was the one providing Michael Jackson with Horrible Plastic Surgeries and PAIN KILLERS.. He got rich, then pimped his Secretary on him!

# PEOPLE

**CHILDREN - WOMAN - MAN - ELDERS**

WE ALL FALL SHORT, in shame before GOD and our hard suffering Elders who died for all of us to have the rights that we have, even for some of our kids to do wheelies in the middle of traffic, or to go shooting to kill somebody, for whatever stupid reason, then end up killing innocent kids and women who are victimized by how you are Assassinating each other on a daily basis and really think your going to get away with it! - this is the saddest part, when you know God is watching you,

Our young girls are out here trying to be in a azz shaking contest, with they Mama and Grandmama right there along with them, being the worst encouragement in the name of fun.. Our Young Mothers are NOT getting the support from Our Elders, Our Elders are NOT

being respected by our youth and a lot of them also refuse to VOTE.. Not many of our people wanna help the movement, the very movement fighting for all of our rights and humanity, Not too long ago we were begging for this country to be civil with us, so don't forget none of that when your enjoying your peace without other people - micro managing you! But there's still, TOO MUCH NON-CARING, too many LAZY souls, too Lazy, laying around envying everybody who out here doing something!

Stop Being a burden to someone who's being nice to you by hosting your homeless azz, because NOBODY cares about you, like that foool who is putting up with your old lazy azz shiii,

STOLEN INNOCENCE**  
B0doubledollar\$ign

Our kids are mad! at us all!! How could the grown ups be looking to them for answers to the questions, they may have about gun violence? When they are just kids?

This crisis has become so mainstream now because of the ease it is to access a fire arm, it almost feels like, its on purpose that the Government wants it's population to be armed, I guess for this BIG Civil war Fox News has been promoting for 20 years, Our most often white politicians are perpet-

uating "We are losing our country to the crazy, often disturbed white male with a gun / then in my neighborhood the young poor lost thug, with a non-tolerant attitude towards those who look exactly like him, shooting indiscriminately almost always hitting someone innocent

But everywhere, there's people who are mad and want to hurt whomever, for whatever reason and all of this is very dangerous and we are all in harms way. SO it's all of our problem, feel me?

BLACK LABELED ANTI-SEMITITE

The #1 Rule for The Jewish People, it seem, If BLACK PEOPLE in Particular get it fuxed up, there are to be severe consequences and damages, if they ever complain about this treatment they clearly feel, the complaint, is that The Jewish Businesses and institutions are slaving through contracts and other services , but to speak against them is a devastating risk that could result in your financial demise.. I thought being Jewish was a religion? But, I see a lot of vengeance and zero tolerance and a selfish view of what who and how they are Anti-Semite but that Anti Semite card can only be used in regards to a Jewish Protest to condemn, but I never seen it being used by Palestinians semites & I, see them over there practicing A partied –in The Holy Land granted they are hated by the people who don’t think they belong on the land!! - But what does that have to do with the way they treat The African Mi-grants escaping persecution from their own country and then being subjected to racism and inhumane treatment in ISRAEL. What about that Greenblatt

THEY HATE HER (and all of us) HARRY,

Allen Builtwell

Ol’ ugly Racism has definitely, ry not even a 1% drop! we cannot out lived The Queen, and under project that image to white people, even if he has your blood , NO circumstances will Ol Racism remember who you are, you’re die, So, lets just embrace the way the spare to the Throne.. How Do Black People feel about our Leaders? Its what matter!

@DCPrintKING 202-344-7588

TO BE CANCELLED FOR FREE SPEECH,

Has to be the most devastating thing to wake up and the Jews done turned your life off! It has become a symbol and method that they use to silence any critic by shutting them down by calling them Anti-Semitic, all the news stations, all the companies and all common people are ready to burn merch and discontinue whatever business they had with the BIG mouth, lol. It has to be because they’re sensitive to the generalizations, actually, I never hear Jews calling Black people names in public, so I suggest that if you have a problem say who?

SNITCHING - Is not a thing if, you’re not into doing crimes with people and telling on them, A concern citizen who is just trying to live life and dangerous is around you, call the Police and tell - and guess what, a real gangster will respect that because your not out there acting bad so you’re a civilian and all real Mfers know a Civilians will Call the police!

AMERICAN TERRORISM  
Nomads doing wheelies in traffic,

We are sick of you M.Fers scaring everybody on the road, we think you are awesome but get your suicidal azz and take all your buddies somewhere in some dirt and stop being reckless for all us.

Others Success

Don’t be jealous of nobody enough to make you HATE them, It is not a healthy way to look at life, you might need that man oneday!!

WOMEN DRESSING LIKE WHORES, Is a matter of National Security, I mean dayummmm, why all the cleavage and those thick az thighs are causing couples to fight / and what about your crazy az boyfriend

BEGGARS EVERYWHERE

These people are terrorist, they’re like “Could I get your change when you come out”, now you don’t know if your gonna have a flat tire when you come out there store, so the proper way to address them is “I’ll see or nod in a yes, usually the eye contact is very direct, so you already know it’s really a strong arm tactic. Be careful, but give!

PROTESTING IN ISRAEL

A so-called beacon of freedom, Israel DO NOT Want African Migrants to thrive no where on their shores, They are Actually practicing APARTIED, High Tech style, they are The Segregated 1950’s Jim Crow but real slick and precise.. And they are exposing the same pure and nationalist racism.

# And The Winner Is MURIEL BOWSER

By: Allen Builtwell

Let's all give it up, yup, a round of applause for The Honorable Mayor Muriel Bowser, and congratulate her for being only, the 2nd Mayoral winner for a 3rd term, (The other being The Honorable Mayor Barry).

After a long hard fight from her opponents, The Mayor was able to again, walk away with the title and we all should be grateful and appreciate Our Mayor, Who at the heigh of The most racist Presidency of our life time, painted "BLACK LIVES MATTER" In yellow paint across the street from The White House and in the face of that

Indifferent guy! So Don't ever forget how this leader has always been about standing up for us. - So instead of cursing her for all the small stuff or for whatever some one else says about her, listen to her plans and look at her actions especially Black and Minority home owners, you all, in particular need to pay attention to all the help, she is making available, business owners, she's always trying to build yall up, but if you are not trying to pay attention you will always miss out, Thanks, Joe and Joan!!! She's doing a magnificent job.

CHUCK BROWN DAY, getting better and better every year because of Mayor Bowser participation, building on the Washington DC culture is all I see her doing, now if, you guys can't keep up, you should still show her some love because chances are, she's thinking about ways to help you too..

The Incomparable Mayor Muriel Bowser

## WHO YOU GOT? RICO Versus FLEXX

WE WANT A AUDIBLE - The 2 Top Legendary Go-Go Dee-jays, ambassadors who are constantly promoting Washington D.C. based and Born Go-Go music - we are going to put some reply's up here but the overall sentiment I, got was, that they both got a way to command the whole city.. But Rico is the one I, personally heard lighting the city up, when I, pulled up, in DC and 1st heard the music, It was sounding like guys were just banging on what sounded like metal garbage cans, but Rico

and Flex, definitely changed my mind, because when they mix it and then play back to back bangers I, can honestly say that's what made me listen to the great Chuck Brown and after that I LOVE GOGO!! The music is the closest thing we have to culture, and it do seem like the congos have some kind of spiritual lure to it because I, was standing in the Chateau Remix, watching as the band started then people start moving, and when I looked down at my feet, they was moving too, that's my DJ.

## HONORARY MENTIONS

The face of Go-Go has to be this man, The Godfather himself Chuck Brown, - I can still feel his spirit..

Don't come back slim!! Because we know you used us to get with those white folks and you still aint put nobody on, NO Producing of New GoGo tracks—just the same ol sad shii - used us to get to some white money and then forget all about it!! - PERIOD, he Faked a Move.. # KING COLIN

Whether, he really wanted to or not, Colin Kaepernick took a stance against the white mans Racism, and it was epic,

When he got down on one knee, these Racist came from every-where, and the incident took those crack-ers back to 1960, with the most ugly jeeeeeers for a black man who dare stand against how they treat their Ne-groes - and he's making millions, he should be grateful, - shut up and dribble!!

There was way more support for the racism than it was for COLINS stance. Climaxing with

The People's Champion

America's #1 RACIST then President Donald Trump - exclaiming "Get that son of a bitch of the field" this is the President of America..

Followed by Jerry Jones and the rest, of the Ownership to submit to their very Racist Fans that they will NOT be in the business of letting this Negro hurt busi-ness , somebody said get JayZ, gave em some money, he sold us out!

Charleston White,

Making a name for himself telling the raw truth/ very disrespectfully, and he's clowning Gangster Rappers and Gang Members while dar-ing them to come get him - He's funny as shit and has a commanding voice that takes over the conversation with real life shiii.. GOD BLESS Him I hope he gets to live on be-cause I know they want to assassinate that mouth!! Hope he see it coming with that bad eye..

Blac Chyna,

from V. St SE straight up, out there making her way in this cold world!! She's one of us!!yall!!!

They should work and get 1

## Jay Z Allows

### DAUGHTER TO SUFFER!

She knows that he is, but he, Daddy has never shown up!!

La Teasha Macer, has disappeared and is not online speaking on her alleged Dad!!

Jay Zs 1st daughter had suffered knowing he was her father and by looking at the pictures, She got his entire interior with the teeth crossing and the BIG nose, and everything, he can't dispute the heirs who exacerbates his real looks, if he was a girl.

Chocolate City Newspaper, has not spoken with Miss Macer or Jay Z, about this mat-ter, hopefully, she got a chance to hug her dad, and introduce him to his grandkids..

## BIG UP FAT TREL

One of DC's Hottest

## The Heir Apparent

Shy Glizzy, has been trekking the plains of success, for a decade now! DC stand up! The door has been kicked open and your oppor-tunity is upon you, "MAKE HIT RECORDS" that's the only score that matter..

Glizzy and his gang put DC on the map with hit songs like,

First 48 / Awesome / Glizzy / White Girl Bankroll / Money Set / Mafioso, amongst the many in this man catalog, Salute, Glizzy.. He the one who got the City Lit! - The Classic w/ GoldLink CREW, still bang, Shy said, "King of District Columbia can't come without a per-mit, this shit really a jungle, gorillas & Ana-condas is FIRE and very true", that boy hot!

## FREAKY Lifestyle

"TINY, GOT THAT GOOD GOOD",

Big Up, T.I. and Tiny holding firm

We all heard when Rob Kar-dashian said Blac Chyna told him, "she was doing 3somes with T.I and Tiny", - and we all watched when T.I. confronted Floyd May-weather In Vegas because Tiny

was hanging out with the Champ, - So all of the signs were there, and now here comes the truth, Tiny got that A1 and Tip been whipped for years, you know that's why TIP got a 6pc over there.. No doubt!

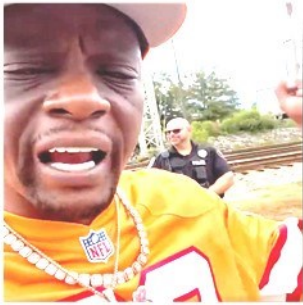

## THE REAL REASON THEY TWERK

It's a business, Instagram, our young black women, are posting half naked pictures on Instagram, because they are getting paid, it's all a progression into some kind of pimping situation, these so-called brand ambassa-dors and prostitutes are try-ing to show off their Goods, eventually they go into selling sexy Pictures and only fans accounts, then it's over, here comes the offers and the money + Trips and opportuni-ty will have those Hoes in Dubai, over there do-ing porno with the Ar-abs in the dessert, tak-ing pictures to post on Instagram!! NO Shame

50 Cent - The Entitled Rapper/ TYCOON lol, and Estranged son Mar-quise, Look at the re-semblance come on man, Ugly to Ugly you should understand the mans pain of carrying around your MONKEY AZZ HEAD!!

### YOU LIKE BLACK WOMEN??

He asked that Police officer, he said he would set him up with some black women to take care of him sexually, / then he Flashed \$30,000 cash then telling them to take him to jail, Unbelievable what drugs do to these guys.. A woman online was quoted as saying "Which of the black women was he offer-ing his MAMA",.

**WHO'S LAND IS IT ANYWAY?**

**THEY DON'T WANNA SHARE**

The Republican White Population, are the ones who support racism, they seem to be the only ones who doesn't want to Fuxn share America, WTF, they come to a land that was already occupied!!! And to this day they still teach that they discovered it, and they act like nobody else can really claim to be a real American in their eyes and they're stockpiled with weapons for a so-called Civil War..

**ROLAND MARTIN**

fuxn boyfriend who look like a broke down back pack on her back, weighing her down as she carries the kids and the worry about feeding his heavy azz, but as they get the food and they look like they're going to get back in bed, so, he could get full and make some of the most incredible love she has ever had and it works, all smiles over there!

# BLACKS vs TRUMP

## White Privileged RACIST Ex-President Don't think these People could take him down

By: Allen Builtwell

Granted It has always been a uphill battle for justice whenever, trying to hold a powerful rich white man accountable, especially if or when it's on behalf of any Black person, because there is a long history in America of this type of unequal justice for blacks but will this be different as 3 significant

Black Prosecutor's are attempting to hold that powerful White man who happens to be The former President, accountable for all of his criminal activity, that, frankly he's gotten away with for all of his life. **Fannie Willis**, got some fire under his lil pink butt for trying to force the Georgia Secretary of

State cheat and throw out our Black vote, so, that this silver spoon cheater could win. Then there's **Letitia James**, NY AG she is killing The Trump Organization. He tried to label her a reverse racist but that didn't work, She is chastising **The Donald!**  
No corporation is above the law,

said District Attorney Bragg. For 13 years the Trump Corporation and the Trump Payroll Corporation got away with the scheme.. So Bragg took his company to trial and found it guilty and sent it's CFO Allen Weisselberg who sits on Rikers Island today.. Although unlikely, will Trump ever go to jail

### BIG TIME LOTTERY SCAM

#### BLACK PEOPLE, STOP PLAYING LOTTERY

The Lottery is killing our wealth, tell ya Mama to stop spending \$40 a day trying to hit for \$200.. If you feeling Lucky it will only be 1 number, so stop remembering numbers and freestyl-ing .50 cent on shiiii.. - So much good Black Money is being thrown away on guessing on the same number, that always seem to come out the day, you don't play, can't you see that there are forces out here that want you broke!!

#### BUYING BLACK!

**Why it's so important?** Simple, if we take all of our money and go buy goods from people who never buy any thing from us, you will see them expanding while you and me have nothing!! - Ok, but if we buy products from each-other then we give each other the resources to have our own stores and Banks and lending institutions that we control, but since we don't, we are the last to gain a collective wealth, because we don't understand that fact!

#### ADVERTISING RATES DMV Small Business Network

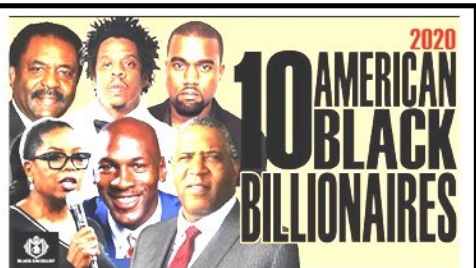

### SALUTE HAKEEM JEFFRIES

To all my Black people, the Democrats and Republicans are NOT the same, one accepts you and have room for leadership, as in Ha-keem Jefferies / and the other don't want you to matter at all - So I wanna salute Our Leader Jefferies for being in the room where the decisions are being made remember that when, they say they all the same!!

Hakeem Jeffries - Leaders of the Democrats

#### Think about this!

It would be nice if, **Michael Jordan** say "Chicago, yall brothers need to put the guns down and come meet with me! And have a round table of solutions - and PEACE. (But he won't do it) **WHY?**

**Why** can't **Tyler Perry** and **Oprah** develop a real show about real issues about Real Life Black Americans, or teach on film what cracker don't want but instead they promote laughter and gossip, while injecting high doses of the homosexuality every step!!

**JAY Z & P Diddy**, Tell these young Rappers to NOT spend \$250,000 on Jewelry and to buy a Home, and If you're gonna keep us drunk - do more ground work for the race, not just personal fortunes.

**Kanye West** - SHUT THE FCK UP!!

**Jeff Bezos** give me \$100,000.000.00 for the Black Community **Van Jones** aint doing shiii.. The real people aint getting it

# Billionaires

**In name only**, because with all of those blessings bestowed upon them, they are supposed to be a blessing to many, but that is NOT what's going on, these people are money hoarders and fools made to think they are beyond us.

With the architects of confusing in their ear advising them, anything Black is NOT a good investment, convincing them to diversify their portfolio instead, with shii, that only benefit others, but not Black Institutions or businesses

With these Billionaires, it seems like there's a rule for those **SLAVES** who get some financial independence, the rule probably goes like this, "if you get that bag you better shut the fuc up! & Don't inter-

fere with the systematic way things are around here, so you must allow them to parish. What else could it be, what makes them ignore the cries from the ghetto, Imagine the amount of encouragement they could instill, if they really cared, think about what our people are doing in those powerful platforms..

All the hero's to these gangsters and bangers are these Multi-Million Dollar Sports stars and even though they could very well have the power to STOP IT! - THEY DON'T so why? Why don't we all care enough to speak up!! - Its is imperative that these rich people and us normal folk, need to fight like hell against this pattern of behavior exhibited by our people.

Allen Builtwell

## RECOGNIZING COMMUNITY CHAMPIONS

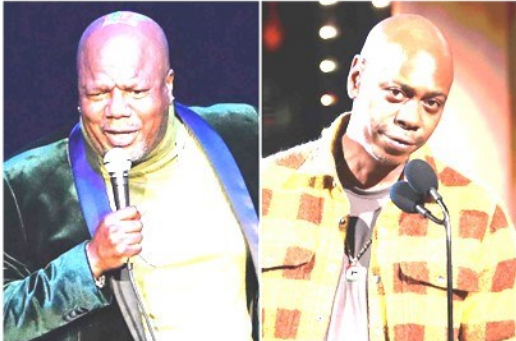

Trayon White  
Ward 8

Salute, **Trayon White**, **Ward 8**, In the spirit of The Honorable Mayor Marion Barry, Trayon is an extension of that kind of hands on relationships with his community addressing long standing issues with Police and letting his people know that they have a voice in the building where those big decisions are being made

Big Up, **Nick Charles**. Brother represents PG County, fighting for the Homeless and families - nothing more valuable than guy who know where he comes from.

BIGGEST' LOSERS  
GANGSTER FOOLS

**Rich Rappers** are stupid as fux, falling on the sword.. Lets start with The fool **Pooh Sheisty**, who was arguably, the hottest Rapper in The United States when he decided to be Thug Life, shoot out style and left the money on the curb as the biggest clue.. - Then he goes to a nightclub while on bond flashing his money, it gets snatched, he bust off a shot!! And that's all she wrote, he was recently sentenced to 5 years in Federal Prison.. LOSING!!!!

YOUNG THUG

\_\_\_This dress wearing weirdo, has been on top of the charts for a long time doing this kinda shiii, he was Power struck, took his influence and allegedly had a few Black men killed and was gangbanging and terrorizing the whole city of Atlanta / His Beef with **YFN LUCCI** was a deadly and unnecessary war that left many young Black men dead.

**THUG VS LUCCI**  
The 2 Negroes are now facing LIFE in prison, leaving behind children & Families and at least 100 Million dollars, on the table - All because of HATE!! BYE HATERS..

SHUT THE HELL UP AND  
DRIBBLE, RICH SLAVES!

NOBODY UNDERSTANDS WHITE DEMAND LIKE SIR CHARLES

There's no fight in a bunch of cowards!! The bottom line is our great sports athletes and Famous Movies Stars and Entertainers are all SLAVES, they are the reason we all can't get on the same page.. Think about this, if all these Players and the cowards TV anal slaves who thought, **Kyrie** was absolutely wrong, They ignored the public lynching and/or supported him being humiliated and the bigger message to our community that if you rich MFs, be out here enlightening your people, WE WILL HANG YOU NINJA!!!! - That's the only message I, received from all of these JEWISH DEMANDS.. Shame on all you spineless wimps, - They don't even address the carnage in the Black Community.. That's why most of them got white wives because they don't care.

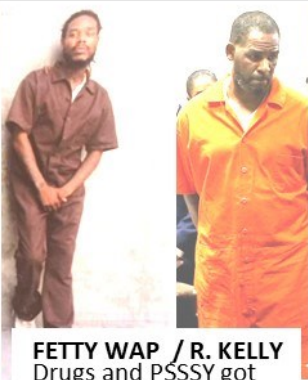

BEING GREAT

**Gervonta Tank Davis**, Light Weight Champion, The Peoples Champ, and definitely the one to watch, standing at 5'5" inches, Tank is literally Knocking out the competition, with a near perfect Record 28-0 w/ 26 KO's, The world watches when he's defending his titles, Thanks for giving us something to root for, - go Tank.. West Bal.

**TAKE OFF'S KILLER -**

Elliot Avianne Young Thug Pimp, give a ninja a bone he going to Vouch on his Momma..

The working Hands >>>>

THE BIGGEST OFFENDER

No matter how many Jewels on you, you're still a corny azz Fool, out here in a squid game of Russian Roulette in order to brag!! About the socalled bag and all this money they're gettin but instead of praising GAWD for the mighty blessings, these idiots are riding around with \$100,000 in cash on them, insanely stupid amounts of Blood Diamonds- enriching and encouraging more African Death and Genocide. And of course there's nobody Black who is selling the diamonds they killed him, these so-called former street MFS who never had no diamonds are now experts on the ICE!!! FOH!!!

FUTURE BOSS OF THESE DUMB ASS RAPPERS

**DJ KHALID**, positioning his son to be yall Bo\$\$, The biggest Culture Vulture of all times has inserted himself with the help of many of the Black Power Brokers, who ultimately gave him the keys and the thermometer, to establish wealth, and I can see Busta, Fat Joe and all the has beens working for Assad.. Busta tap in!!

## PG COUNTY

### YOU COULD DO BETTER ANGELA ALSOBROOKS

Is she out of touch with the homeless population?? Because It's just heart breaking to see the hundreds of people who cannot get help or a safe place to recover,

A Black Woman who is in the #1 position to make the difference for us just look at Montgomery County they have a County Manager who has a great hearty interest in being the solution, Our lady Angela Alsobrooks is only a title seeker, it

Honorable Angela Alsobrooks seems, she's trying to get our Kids confronted by Police instead of providing shelter for the Homeless Population.. It's a NO! ANGELA!!

### FREEDOM FOR BLACK PEOPLE?

It Has to start with, behavior, our people are disrespectful to each other, our Elders feel less safe around our young people, than they are with a suspected white racist, C'mon,

Our Men have NO sense of responsibility to address the carnage or the systematic and backwards way of thinking from years of misinformation

our lack of self knowledge, and our people don't care to Know who we are, so we follow the white rule .

But in a new day, each one of us have the power to show ourselves as different to each other first, to show and re-train our people how to be proud and abandon the code of the streets and live righteous, before God

## LOCAL DMV NEWS

The Wheelies in the middle of traffic is TERRORISM,

1). These Acrobatic Motorcycle professional stunt men is terrifying the community with these illegal gangs of mostly Black men doing wheelies in traffic it's the most amazingly craziest thing I've ever saw but its dangerous and sickening and we are all sick of it, so if you have a kid or a family member doing this.. **THEY ARE LOSERS** and I hope they get caught

2). Virginia has denied parole to convicted sniper killer kid Lee Boyd Malvo, ruling that he is still a risk to the community two decades after he and his mentor / father terrorized the Washington, D.C., region with a series of random shootings. Malvo was 17 when he and John Allen Muhammad shot and killed 10 people and wounded three others over a 3 -week span in Oct 2002, Muhammad was put to death.. 11/2009, **FREE THE SNIPER KID!!**

## The HOMELESS D.C. Remembering Angela Hill

Angela Hill, - Is the name of the lady who used to sleep under the Sousa Bridge on Pennsylvania Avenue under the 295 highway underpass, - in plain sight for the world to see, yet NO City or Government Official was able to get help for this lady to cure her obvious mental issues, listen, I been living in and around DC since 2009 and I see people out here sleeping in the dirt, I see tent cities in all the parks

downtown, people are sleeping in the Tunnel leading to the Senate Parking in the tunnel, we all see it, and it takes a especially cruel society who is unwilling to truly address this humane issue, "how the hell could any of us stand for"!!
